

Welcome to the

MODEL HORSE GALLERY

Welcome to the largest model horse gallery in the world! There are over 25,000 photos, 275 galleries and 2,500 pages to take a virtual walk through. These galleries show a slice of our hobby's vast artistic talent and the models we collect. There are also sections of reference material (FAQs, calendars) and more.

IMPORTANT NOTE!! - These galleries are full of pictures, and loading time can be slow, especially on dial up or slower connections. Please be advised!

If contacting an artist, please be aware there may be a delay in getting a response. During the summer, some artists spend time with families or travel for holiday or model horse events, such as BreyerFest.

If you have questions regarding identification, value or where to get things, please try

- [Exchange](#) (sales only),
- [Breakables](#) (sales and discussion of equine "breakable" things including ceramic, china, porcelain, etc.),
- [MyAuctionBarn](#) (model horse auctions),
- [etsy.com](#) (handmade creations, no resellers),

- [Model Horse Blab](#) (discussion and sales),
- [Fallen Leaves](#) (discussion, sales),
- [Flying Change](#),

The above list is not all-inclusive, but include many of the locations online that model horse folk hang out at. This [site](#) has a number of (china/porcelain) hallmarks to help with identification (thanks to Kathy Williams).

Note to AOL, Hotmail users: AOL and Hotmail mail systems do not like the "modelhorsegallery.info" domain sending mail to users, so a "modelhorsegallery" at ISP address may be used.

I know this hobby is filled with great, fun people and I love to hear from folks, but please do not use the Model Horse Gallery email address for sending me humor, protests, e-cards, invites to sites, etc. (I have other personal email addresses I would be happy to provide for that purpose.) I try to keep the Model Horse Gallery address limited to only receive emails relating to the gallery. Thanks for your understanding and cooperation.

As a popular site on the web, I often get lots of junk email and only "save from deletion" those messages that I recognize the sender. Please include "MHG" in the subject line to ensure the message is not deleted if routed into the wrong mail folder. I try to reply to emails requiring a response within 48 hours; submissions may not be acknowledged until they are incorporated into the gallery.
